

ALKACLEAN PLUS

“HEAVY DUTY CLEANER AND DEGREASER”

PRODUCT USE

A-377 is used for the speedy and convenient removal of a wide range of contaminations including scorched and fatty deposits, oxidized oils, grease, wax, dirt & dust, grime, smudge, exhaust stains, soiled ink and light carbon deposits.

A-377 can be applied for cleaning the above mentioned contaminations on all types of floor – road tar, machinery, engine block and hot tank cleaner.

A-377 is for general domestic use, and can also be applied to industrial cleaning in workshops, factories and shipyard and marine vessels etc.

DESCRIPTION

A-377 is a liquid cleaner containing inorganic alkaline salts combined with powerful low foaming surfactants and organic solvents, for the removal of polar soils.

DIRECTIONS FOR USE

A-377 can be used with normal method of cleaning - brush, mop, spray and swab.

For general cleaning, dilute one part of **A-377** to 30 - 60 parts of water.

Apply **A-377** solution on the area to be cleaned until the surface is wet and allow it to work for a few minutes. Then rinse with water or wipe over with a clean and damp cloth.

SPECIFICATION

TYPE	:	Alkaline water based cleaner
SPECIFIC GRAVITY:		1.05 – 1.15
pH	:	12.0 – 14.0
FLAMMABILITY	:	Non-flammable
COLOUR	:	Light Green
FORM	:	Liquid

CHEMICAL PROPERTIES

Contains an inorganic alkaline salts combined with powerful low foaming surfactants and special wetting agents.

SAFETY AND HANDLING INFORMATION

Protective Measures	Wear chemical resistant gloves, safety goggles and footwear. Use in adequately ventilated areas. Wash hands with water after use. Avoid breathing in vapour.
Spillage & Disposal	Spillage is slippery. Wear gloves, confine spill and stop leak at source if possible. Pump liquid back into original container. Absorb remaining liquid with inert material such as dry sand or sawdust. Neutralize if necessary with vinegar or other diluted acid solution.
<u>FIRST AID</u> Eyes	Rinse eyes with copious amount of water for at least 15 minutes. If irritation persists, seek medical advice.
Skin	Flush with large amounts of water, use soap if available. Remove grossly contaminated clothing, including shoes and launder before reuse. Seek medical attention if necessary.
If Inhaled	If overcome or affected, immediately evacuate victim from exposure area, using proper respiratory protection. Administer artificial respiration if breathing has stopped. Keep at rest. Seek prompt medical attention.
If swallowed	Rinse mouth; then drink 1 or 2 large glasses of water. Do not induce vomiting. Seek prompt medical attention. Never give anything via mouth to an unconscious person.
<u>HANDLING</u> Storage & Transportation	Product should be stored and transported in original containers. Do not store near heat, sparks, flame or strong oxidizers. Store away from strong acids and foodstuff. Keep container lid tightly closed. Store in a cool and dry area, away from direct sunlight. Open container slowly to control possible pressure release.
Packaging	Supplied in 25 and 200 litres non-returnable containers.
